The case in Bangalore Circuit Court was as dragging or pushing a vehicle does not come under the above clause, there is no provision for preventing carts being pushed along the streets without lights. It further points out that a case launched in Bangalore City ended in acquittal.

He suggests that a provision as in the Madras City Police Act III of 1888 S. 71 (4) may be introduced into our Regn. It runs as follows:-

"71 (IV) Whoever drives, drags or pushes any vehicle at any time between half an hour after sunset and one hour before sunrise without a sufficient light

shall be liable on conviction to fine not exceeding fifty rupees"

He may perhaps be enough to insert the words "drags, pushes" between the words 'along' and 'or' in Sub Clause (a) of the Police Regn Subd

Amendment of Police Regulation.

15)

Under Section 56(a) of the Mysore Police Regulation driving or keeping standing a vehicle in a street without lights during nights is punishable. But dragging or pushing of a vehicle without lights does not come within the scope of the section. Carts pushed by hawkers or coolies are often found in the busy streets of Bangalore and it is necessary that they should also be made to carry lights.

It is therefore proposed to amend the Police Regulation so as to make the act of pushing or dragging a vehicle without lights also punishable.

(27) During the course of the discussion of the Statement of General Principles and accepted the suggestion that push bicycles would be exempted.

In this connection and reference is invited to the wording of Sec 56 (a). The use of the words "without lawful excuse" gives a sufficient margin for the protection of persons whose vehicle lights fail for sufficient reason. The cyclist who leads his vehicle under those circumstances is not penalised. These words viz 'without lawful excuse' are not in the Madras Act S. 71 (iv). But they occur in the Bombay Police Act (Vide Sec 61 (a) of Bombay Police Act 1890 and one Regn follows the Bombay Act.

The exemption in the case of cyclists is therefore implied & no change in the Bill appears necessary. Such few orders of the Govt may be published

II. Statement of General Principles of the Bill further to Amend the Mysore Police Regulation, V of 1908.

The CHIEF SECRETARY to GOVERNMENT (Mr. K. V. Anantaraman) explained the general principles of the bill as follows :—

" Under Section 56 (*a*) of the Mysore Police Regulation, 1908, whoever drives along or keeps standing in any street a vehicle of any description at any time between half an hour after sunset and one hour before sunrise, without a sufficient light is liable to be punished. Dragging or pushing a vehicle without a light does not come under the scope of this section as it cannot be termed driving. It has been brought to the notice of the Government that carts without lights pushed by hawkers or coolies are commonly found in the busy roads of the cities thereby causing serious nuisance. The bill is intended to amend the Regulation so as to make the act of pushing or dragging a vehicle without lights half an hour after sunset and one hour before sunrise, an offence under the Regulation."

Mr. T. MADIAH GOWDA represented that the measure should be made applicable to cities only where there was heavy traffic and not to towns.

The FIRST MEMBER (Rajamantrapravina Diwan Bahadur K. Matthan) replied that the measure would apply to only places specially notified by Government and not to all places.

Mr. B. L. BYANNA and a few other members suggested that bicycles should be exempted from the list of vehicles, the dragging or pushing of which without lights during dark hours was sought to be made an offence.

The DEWAN replied that push bicycles would be exempted.

Mr. M. SUBBIAH said that in village parts it was not always possible to attach lamps to carts. Generally there would be a number of people in front of and behind the carts and in such cases he did not think it would be necessary to insist on lights and to make the dragging or pushing of carts an offence under the Police Regulation.

Mr. K. MATTHAN replied that speaking generally, the measure proposed was necessary in order to avoid accidents and in the interests of public safety and so long as it was not proposed to make it applicable to villages there need be no opposition to the measure.

The general principles of the bill were thereupon put to vote and passed.

THE MYSORE REPRESENTATIVE ASSEMBLY.

DASARA SESSION—OCTOBER 1935.

STATEMENT OF GOVERNMENT BUSINESS TO BE PLACED BEFORE THE REPRESENTATIVE ASSEMBLY.

I. Statement of General Principles of the Bill further to amend the Mysore Land Revenue Code, 1888.

Under Section 179 of the Mysore Land Revenue Code, 1888, it is obligatory on the part of the person declared to be the purchaser at revenue sales to deposit immediately twenty-five per cent of the bid amount, and under Section 180 of the said Code, he is required to pay the balance before sunset of the fifteenth day from that on which the sale took place. In some cases the purchasers are the persons for whose benefit the sales are held. For example, the sale may be on account of arrears due to a Co-operative Society or to an Inamdar from his tenant. At present, no option is allowed by the Code to set off the purchase money against any amount due to the purchaser himself from such sale proceeds. This is likely to work as a hardship. It is, therefore, proposed to amend the Land Revenue Code by the addition of a new Section 180-A on the lines of the rules contained in the Civil Procedure Code in the matter of allowing a concession of set off when the decree-holder purchases the property in a Civil Court sale.

II. Statement of General Principles of the Bill further to amend the Mysore Police Regulation V of 1908.

Under Section 56 (*a*) of the Mysore Police Regulation, 1908, whoever drives along or keeps standing in any street a vehicle of any description at any time between half an hour after sunset and one hour before sunrise, without a sufficient light is liable to be punished. Dragging or pushing a vehicle without a light does not come under the scope of this section as it cannot be termed driving. It has been brought to the notice of Government that carts without lights pushed by hawkers or coolies are commonly found in the busy roads of the cities thereby causing serious nuisance. The bill is intended to amend the Regulation so as to make the act of pushing or dragging a vehicle without lights half an hour after sunset and one hour before sunrise, an offence under the Regulation.

III. Statement of General Principles of the Bill to amend the Mysore Religious and Charitable Institutions Regulation VII of 1927.

Under Section 38 (2) of the Mysore Religious and Charitable Institutions Regulation VII of 1927, an appeal lies to the Government against every order passed by the Muzrai Commissioner, whereas under Section 210 (2) of the Mysore Land Revenue Code, 1888, appeals lie to the Government from an appellate decision or order passed by the Revenue Commissioner, only in cases involving points of law. This section in the said Regulation, VII of 1927, is found to lead to a number of petty appeals on facts to the Government, which in their opinion is not desirable. It is therefore proposed to amend it suitably in conformity with the provisions of Section 210 (2) of the Mysore Land Revenue Code. Such an amendment will not cause any real inconvenience to parties concerned as the Government have powers of revision under Section 39 of the Regulation, VII of 1927.

IV. Statement of General Principles relating to the amendment of the Food Adulteration Regulation.

The question of amending the Mysore Prevention of Adulteration Regulation so as to provide for the addition of a section prohibiting the colouring, mixing, and staining of food stuffs by deleterious matter has been under the consideration of Government for sometime past. Provision for this exists in Bombay Act V of 1925 and the Director of Health has recommended the addition of a similar clause to the Mysore Regulation. It is proposed to introduce a similar provision into our Regulation.

V. Statement of General Principles of the Bill pertaining to law regarding Partnership in Mysore.

The law relating to partnership is contained in Chapter XI of the Indian Contract Act, 1872, as in force in Mysore. The inadequacy of the provisions contained therein has been recognised for a long time as many important matters relating to partnership were left un-noticed in Chapter XI. In addition to these omissions, the development of trade and business has shown further matters on which legislation is required. In the absence of clear and definite rules on these points, the Indian Courts have held that Chapter XI of the Indian Contract Act is not exhaustive and have relied on analogies drawn from the English Law. To remove these defects, a separate Act providing for a satisfactory codification of the law relating to partnership was passed in British India in 1932.

The Indian Partnership Act of 1932 as well as the Indian Sale of Goods Act of 1930 (which has been recently adopted in Mysore) were drafted by a Special Committee of leading lawyers presided over by Sir B. C. Mitter. In their report on the Sale of Goods Bill, they observed :—

> "When Sir James Stephen moved the Indian Contract Bill, he admitted that it was not and could not pretend to be a complete code upon the branch of law to which it related. He, however, expressed a hope that in later years it would be easy to enact supplementary chapters relating to several branches of the law of contract which the bill did not touch. In our opinion, in view of the complexity of modern conditions, the time has now come when this process should be accelerated by embodying the different branches of law relating to contract in separate selfcontained enactments."

The Sale of Goods Bill was the first of the series foreshadowed by the Special Committee and the Partnership Bill was the second.

The Indian Partnership Act is based upon the corresponding English Act of 1890 with deviations on some points in order to adapt the law to Indian conditions or to supplement it in places where it is incomplete or are supported by the views of authoritative commentators.

The law in Mysore, has however, remained the same as it was in 1872, in spite of the fact that the development of trade and business in Mysore, as in British India, has shown further matters on which legislation is required. It has therefore become necessary, in order to keep the law of partnership abreast of the developments of modern business relations, to remove the defects by enacting a separate measure on the lines of the Indian Partnership Act, 1932.

The Bill repeals and supersedes Chapter XI of the Contract Act. It makes considerable changes in definition and arrangement, gives effect to the mercantile view of a firm's continuity and adds provisions for voluntary registration of firms.

Chapter I deals with preliminary matters and definitions.

Chapter II deals with the nature of partnership. This law of partnership is made applicable only to the relationship created by contract and not to that which arises from status; in particular, members of a Hindu undivided family carrying on a family business as such are excluded from the application of this law.

Chapter III deals with the relations of partners to one another. The Indian Contract Act, 1872, as in force in Mysore, dealt with some of them in Sections

252, 253, 256, 257, 258 and 259. The present Bill deals with these relations in fuller details.

Chapter IV deals with the relation of partners to third parties. This chapter is mostly taken up with the statement and development of the principle that each partner is the agent of the firm.

Chapter V collects together and sets out in a convenient form all rules relating to the coming in of a new partner and all rules relating to the going out of a partner in so far as these rules do not relate to the dissolution of the firm or to the consequences of dissolution.

Chapter VI deals with the dissolution of a firm and lays down that the dissolution of a firm means the dissolution of the partnership relation between all the partners of a firm, as distinguished from the severance of the connection of one partner with the firm through retirement, expulsion or insolvency dealt with in the last chapter.

Chapter VII deals with the Registration of firms and lays down the procedure for the registration of partners and firms. It is not the intention to apply Chapter VII regarding registration of firms and its incidents to the whole of the State or any part of it, except by a special notification by the Government when conditions for its extension in any part of the State are considered suitable.

Chapter VIII, the last chapter, contains supplemental provisions regarding mode of giving notice, repeals and savings.

Subject:—

I have the hono r to state that under Section 56 A of the Mysore Police Regulation whoever drives along or keeps standing in any street a vehicle of any description at anytime between half an hour after sunset and one hour before sun-rise, without a sufficient light or lights is punishable. Dragging or pushing a vehicle without a light does not come under the scope of the above section as it cannot be termed as driving and there is no provision for preventing carts etc. being pushed along the streets without sufficient light. The City Superintendent of Police has brought to my notice in his letter No.M.V. 493/34 dated 27-5-1935 (copy enclosed) that a case launched for dragging a push cart without light in Bangalore City ended in acquittal. As such carts pushed by the vendors or coolies are commonly found moving about in the busy roads of the City cause serious nuisance, he recommends that the Section of the Police Regulation may be amended so as to make pushing or dragging a vehicle without lights also an offence under the Regulation. I agree that the provision proposed is necessary and recommend that action may be taken to amend the Regulation suitably.

I may add that a similar provision exists in the Madras City Police Act III of 1888 (Vide Section 71 (4).

I have the honour to state that whoever drives along or keeps standing in any street a vehicle of any description at any time between half-an-hour after sunset and one hour before sun-rise, without a sufficient light or lights is made punishable under Section 56(A) of the Mysore Police Regulation. Dragging or pushing a vehicle without a light does not come under the scope of this Section as it cannot be termed driving. A petty case launched for dragging a push cart without light under Section 56(A) of the Mysore Police Regulation in the Court of the II City Magistrate, Bangalore ended in acquittal on 16-5-35, Such carts pushed by the vendors or coolies are too commonly found moving about in the busy roads of the City, very often creating serious nuisance.

I would therefore recommend that Section 56(A) of the Mysore Police Regulation may be amended so as to include dragging or pushing any vehicle at any time half an hour after sunset and one hour before sunrise without a sufficient light or lights as an offence punishable under the above section. In Madras Presidency ~~Section~~ Section 71(4) of the Madras City Police Act No.III of 1888 lays down that driving, dragging or pushing any vehicle at any time between half an hour after sunset and one hour before sun-rise is an offence.

NOTIFICATION.

No 1923—L. C., dated Bangalore, 22nd November 1935.

Under Rule 8 of the Rules for the conduct of business of the Mysore Legislative Council, the accompanying Bill further to amend the Mysore Police Regulation, V of 1908 is published for general information with the statement of objects and reasons.

By Order,
C. SUBRAHMANYA AIYAR,
Secretary,
Mysore Legislative Council.

Bill further to amend the Mysore Police Regulation, V of 1908.

Whereas it is expedient further to amend the Mysore Police Regulation, 1908; It is hereby enacted as follows:— Preamble.

In sub-clause (*a*) of Section 56 of the said Regulation between the words "any description" and the words "at any time," the words "or drags or pushes in any street a vehicle of any description other than a bicycle," shall be inserted. Amendment of Section 56 (a).

The sub-clause as amended will read as follows:—

'without lawful excuse, drives along, or keeps standing in, any street a vehicle of any description *or drags or pushes in any street a vehicle of any description other than a bicycle*, at any time between half an hour after sunset and one hour before sunrise, without a sufficient light or lights.

STATEMENT OF OBJECTS AND REASONS.

Under Section 56 (*a*) of the Mysore Police Regulation, 1908, whoever drives along or keeps standing in any street a vehicle of any description at any time between half an hour after sunset and one hour before sunrise, without a sufficient light is liable to be punished. Dragging or pushing a vehicle without a light does not come under the scope of this section as it cannot be termed driving. It has been brought to the notice of Government that carts without lights pushed by hawkers or coolies are commonly found in the busy roads of the cities thereby causing serious nuisance. The Bill is intended to amend the Regulation so as to make the act of pushing or dragging a vehicle, other than a bicycle, without lights half an hour after sunset and one hour before sunrise an offence under the Regulation.
